Respected Sir,

I am Veerendra Harshal. I worked from 2019 winter till 2020 February on Signal Segmentation of Power Signals in Grinding Processes. I have demonstrated a proof of concept and a Report was also made in Latex regarding the project (Attached below). Before I could approach my HOD Prof. Ramesh Babu, regarding the completion of the project, pandemic holidays were announced and I couldn't claim a certificate.

I have signed for 6 weeks worth attendance and the report discussed and proof-red.

I am going to sit for Internships in August and in my Resume, would like to include my delightful experience working for AMTDC. Since I don't have a Certificate yet and E-mail Verifications are accepted from the conductors, would you be kind enough to please provide for the same?

Thanking you for your time and consideration,

Veerendra Harshal Budhi,

Roll No. ME17B124
